ATTENTION REGISTERED OWNER: YOUR CREDIT FILE MAY BE AFFECTED

California Civil Code Section 3068.2 states that you are liable to us for the total charges and fees, (towing, storage and lien processing), less the amount we receive from the sale of this vehicle.

It is important that you reclaim your vehicle as soon as possible since storage charges are accumulating daily. If you do not reclaim your vehicle prior to our lien sale, you may be liable to us for up to 60 days storage cost, plus fees shown above for a total of \$4770.00, less the amount we receive from the sale of this vehicle. We will refer our deficiency claim to a collection agency if you do not act soon.

IF YOU ARE NOT GOING TO RECLAIM YOUR VEHICLE, YOU CAN PARTICIPATE IN OUR AMNESTY PROGRAM **

If you pay us **\$725.00**, (towing fees plus seven days storage), **before** the date we conduct a lien sale we will waive our deficiency claim. If you would like to take our offer, sign the statement at the bottom of the letter and bring it, along with any title or other paperwork you have for this vehicle, to our office address shown above along with the Amnesty amount you are paying. If you fail to act before our lien sale is completed, you will no longer be eligible for this Amnesty offer. Save your credit standing and act now.

Remember, your options are:

1. Pay your bill and reclaim this vehicle.
2. Pay us **\$725.00**, (towing fees plus seven days storage), and relieve yourself of further liability when we receive your title to this vehicle and sell it. **DO NOT MAIL YOUR AMNESTY PAYMENT TO THE DMV.**
3. Do nothing and face a collection agency for our deficiency claim. You will owe us for the total charges, (including: towing, lien processing costs, and up to 60 days storage cost), less the amount we receive from the sale of this vehicle.

**** Offer not valid for accident or stolen recovery vehicles with a covered insurance policy. Insurance company is responsible for total towing, storage & lien fees. Insured or claimant is responsible for total fees if paid directly by insurance company.**
